Pesticide Application on Rights-of-Way Notification

Date of Notice: August 5, 2025

This notice is being provided as required by the Pesticide Application on Rights-of-Way Notification Act of 2025

Important Notice: New Illinois Pesticide Application Notification Requirements

The Village of Oreana residents should be aware of new state regulations regarding pesticide applications on public rights-of-way that took effect January 1, 2025. Under Public Act 103-0976 (The Pesticide Application on Rights-of-Way Notification Act), we are implementing enhanced notification procedures to keep our community informed about pesticide applications.

New Notification Requirements for Public Act 103-0976:

As of January 1, 2025, Village of Oreana must provide written notice at least 24 hours before any pesticide application to public rights-of-way, including:

- Roadways and road shoulders
- Sidewalks and walking paths
- Utility corridors
- Storm sewers and drainage areas
- Other public infrastructure areas

Day of Service Notifications

Day of Service Notifications will be posted at least 24 hours on the Village Website (oreanail.com). In addition, residents can sign up for notifications via email/call/text by visiting <https://member.everbridge.net/index/453003085611879#/login>.

2025 Application Schedule

- Location: Within Village of Oreana boundaries
 - Season: May 1st- October 15•
- Adulticide Time of Application: Between dusk to dawn
- Purpose: Mosquito control and disease outbreak prevention

Adulticide Products Being Used

We utilize EPA-registered products approved for residential areas:

1. Perm-X UL 4-4 (for routine Adult Mosquito Control applications)

- 4 % Permethrin, CAS ((3-phenoxyphenyl) methyl (+/-) cis, trans3-(2,2-dichlorethenyl)2,2-dimethyl cyclopropanecarboxylate)
- 4% % Piperonyl Butoxide

- Labeled Application Rate: Apply undiluted at a rate of 0.45 to 3.1819 fl oz per acre

Public Safety

These EPA-registered mosquito larvicides and adulticides can be safely applied in residential areas. Residents may remain outside during application, as there are no special safety precautions required according to the product labels.

Emergency Exceptions

Please note that in certain emergency situations, such as disease threats or natural disaster recovery efforts, advance notice requirements may be waived. This includes responses to:

- Disease-causing agents in mosquito populations
- Mosquito-borne diseases affecting humans or animals
- Natural disaster recovery situations
